Procedure After Submission

Once your package has arrived at our facility, we will notify you by email to confirm receipt. After the incoming inspection has been completed, you will receive a cost estimate from us.

Please note:

For repairs up to €250, we do not issue a cost estimate nor require separate approval from your practice. If you do not agree with this procedure, please inform us immediately.

Shipping Notice:

The protection of our employees is very important to us. For devices that arrive in an unclean condition, we charge a cleaning fee of €90.
